### Charming Cottage - Ready To Move In

This charming 3-bedroom cottage is perfectly located close to Schools, Shops and within walking distance to the Toowoomba Base Hospital. Set on a corner block with driveway access from Dunne Street, you can't help but be impressed with the character of the home but also the large yard space and massive powered double garage with additional double carport.

Through the front door you step into a versatile, light-filled space; potentially a small sitting room or office that faces west and great for catching that winter sun. From there you walk through the lounge room with its charming window alcove that leads to the kitchen, the bedrooms and bathroom.

The 3 large bedrooms are all with ceiling fans, timber floors and character VJ walls and high ceilings, only one with cupboards, however the two remaining rooms are large enough to include cupboards or built ins. The updated bathroom has a shower-over-bath, single vanity and toilet.

The light-filled, eat-in kitchen has ample storage, lovely North-facing windows and is also updated. The layout of the home is versatile and has the opportunity to reconfigure to allow more of an open plan living and dining space.

Other features inside the home include; polished timber floors throughout, natural gas heating points (2), reverse-cycle a/c in the living room, window furnishings (curtains and blinds), some security screens, lovely high ceilings and freshly painted.

Outside there is the laundry and also a second toilet, single lock-up garage
